## DETAILED ACTION

### ***Reasons for Allowance***

1. Claims 1-14 are allowed.

2. **Examiner's Statement of Reasons for Allowance:**

Applicant's invention relates to a power generation system, and more specifically, to a windmill installed on a boat.

The system has a windmill generator installed on a boat for generating of an electrical power and charging a battery, as disclosed.

There are inventions in the field that provide similar functionality and/or have similar features, as prior art of record shows. Applicant's invention differs from the prior art of record by the specific arrangements of the functional elements, which were interpreted by the examiner as they are disclosed in the specification and the drawings, which are performing as claimed, and which examiner's search failed to find.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably accompany the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

***Conclusion***

4. The prior art made of record and not relied upon is considered pertinent to applicant(s) disclosure.
